PRICE, FIVE CENTS

Gladwyne Upsets Boro to Take Second Place While Brookline Loses

Walt Masters in Solo Act Downs Upper Darby 4 to 1

PAOLI, MEDIA VICTORS

It may now be safely assumed that the four teams in the Main Line League who will engage in a post-season series to determine the championship of the circuit will be Narberth, Gladwyne, Brookline and Paoli—perhaps not in that order.

Nines of Gladwyne, Paoli and Media A. A. were the heroes of the week-end, with Walter Masters winning his own game with Upper Darby.

After smothering Downingtown, 7-1, Saturday, the KeyNels via a rally in the late innings tied Narberth and then put over the winning run in the tenth to down the Davismen, 9-8, on Sunday. The victories helped put Gladwyne back in second place as Brookline was losing to Paoli, 11-3, on Sunday after defeating Coatesville, 5-3, the day before.

Paoli and the Media A. A. (the latter winning from both Pottstown and Downingtown by lopsided scores) are the spice of the league. Both might be threats to the three leaders if there were only more games to play before Labor Day.

Media A. A. has advanced from a very bad eighth place team to an excellent seventh and may still head the second division if Coatesville and Pottstown don't brace a bit. Paoli also has come up from below to cinch fourth place and a chance at the series money.

Narberth's encounter with Upper Darby on Saturday was mostly Walter Masters. Walt struck out eleven 6th Street men, allowed them only four hits and a lone tally. On the offense Masters slammed out two doubles and a single and scored one of his team's four runs.

Sunday's pastime was an upset for both the Davismen and Al Hermann. With a lead of 7-2 at the end of the first half of the seventh, Al blew up in the stretch inning when the KeyNels put across five runs featured by a homer by Ted Emery which cleared

Swimming Pool Cause of Drainage Trouble

Borough Superintendent Locates Cause of Excess Flow of Water

The cause of the excess flow of water in the Conway avenue sewer main in Narberth was located last week by George B. Suplee, borough superintendent, who has been investigating that trouble ever since the heavy storm on July 26 caused the sewer to back up into the cellar of A. E. Wohlert's residence in Narbrook Park.

The cause of the trouble was found in an abandoned swimming pool at the rear of the Wynwood-House property on Montgomery avenue. That pool, which measures 25 feet by 60 feet, originally had a 5 inch pipe connecting it with the sanitary sewer. When the pool was abandoned some years ago it was partly filled in, but the size of the pool is sufficient to serve as a large inlet of surface water in times of heavy rainfall.

The drain from the pool has been disconnected from the sanitary sewer and reconnected with a surface water drain that leads into the Indian Creek surface water system. The discovery of the cause of the trouble has been reported to the State Health authorities who were brought into the case by Mr. Wohlert's appeal to them.

Lower Merion Police Team Loses State Title by Point

Lower Merion's police pistol team lost its Pennsylvania championship by a single point at the invitation match at Teaneck, N. J., last week-end when the Philadelphia police scored 1176 to Lower Merion's 1175 out of a possible 1200.

Winner of the revolver match was the Delaware and Hudson Railroad police team with 1191, a new world's record.

Jack Comiskey, of Lower Merion, with 99 out of 100 in a time fire match won third individual honors.

Business Men Plan Class To Study Retail Problems, Starting Sept. 13

Seven hundred Main Line business men have been invited "to meet as a class to study solutions of modern merchandising problems," according to a letter mailed this week.

A preliminary meeting aiming toward "A Retail Merchants' Clinic" will be held at the Merion Cricket Club, Haverford, on Monday evening, September 13.

Speaker will be Arthur Freeman, famous sales adviser to retailers and manufacturers. He will bring to bear on local mercantile problems the experience he has gained as an executive in Gimbel's Philadelphia and New York stores, Macy's, New York,

and as president of Einson-Freeman merchandise display experts.

He will discuss retail selling, store and window displays, markets, advertising, merchandise and financing.

If interest is sufficient at the initial meeting for which there will be a charge of one dollar per individual, a series of five meetings to cost \$5 will be held each Monday evening beginning October 4.

The letter is being mailed by a committee including Ralph S. Dunne, Narberth coal dealer; Alvin E. Shull, Bala-Cynwyd lumberman; F. Engle Taylor, of the Philadelphia Electric Company; Robert Picking, Ardmore, and Edward T. Baner, Bryn Mawr.

Two Casts Interpret New Hedgerow Play

"Penny Wise" Will be Given Two Entirely Different Interpretations

The highlight of the next ten days at the Hedgerow Theatre in Moylan-Rose Valley will be two performances of the company's newest attraction, Jean Ferguson Black's "Penny Wise," on Friday and Saturday.

The performance Friday will be a second "opening" for the play. Jasper Deeter has provided the comedy with two casts, each with a different interpretation, and lest the abilities of the two companies should be confused, Mr. Deeter has tabbed them the "quick" and the "mellow." The former cast played the first performance last Monday, and Friday's presentation will feature the "mellow" company. Thereafter the two casts will alternate during the run of the play.

"Penny Wise" comes to Hedgerow after a successful run in New York earlier this year. The story deals with a Pulitzer playwright and his adventures in the love-field. When four ladies, all in love with him, get together on his Connecticut farm, the fun begins, and by the third act no one can tell just what situation Authorless Black will pull from her bag.

The feature Monday is the newest Shavian item, "Too True to be Good." Eugene O'Neill's "The Emperor Jones" plays Tuesday and "Penny Wise" will be presented again Wednesday. Eugene O'Neill's Pulitzer Prize play, "Beyond the Horizon," will be presented Thursday.

Charged with driving while under the influence of liquor and with failure to stop after an accident, J. Holcombe Genung, former grocery chain executive and appointee of the Federal Emergency Relief Administration, was held for court in \$500 bail Saturday by Magistrate Meredith, of Lower Merion.

According to Allan W. Schaffer, 3661 York road, Philadelphia, Genung's car side-swiped his and then continued without stopping. After a chase of three blocks he halted Genung by pulling in front of him at 54th street and City line, Bala.

Three Injured in Collision

Three persons were injured Saturday when the automobile driven by Mrs. Ida L. Gile, 601 Woodcrest avenue, Ardmore, crashed into the rear of a machine driven by Emilie Jeanne McKell, of Upper Darby, which had stopped for a traffic light in Wynwood.

Mrs. Gile suffered a cut knee; Mrs. Ysabel Gile, of Atlantic City, a sister-in-law of Mrs. Gile, was treated for a laceration of the nose at Bryn Mawr Hospital; Mrs. Kate McKell, mother of the other driver, was treated by Dr. Edwin C. Town, of Narberth, for a wrenched back.

Relief Still on Increase

Lower Merion with twenty-nine cases on relief last week showed a gain of one over the week before; Narberth with five cases showed an increase of two.

6 Thefts During Week Swell Vacation Crime Epidemic on Main Line

Frank H. Sykes' Cynwyd Residence Among Those Plundered

GAS STATION ROBBED

Robberies in Cynwyd, Narberth and at two Bryn Mawr residences, a theft from a Wynwood service station and a holdup in Bala during the last week continued to swell the Main Line's crime wave.

Police revealed that the Cynwyd residence where about \$250 worth of jewelry was taken is that of Frank H. Sykes, former president of the Township Board of Commissioners, at 372 Trevor lane.

Mr. Sykes, who is president of the Lower Merion Police Pension Association and an official of the Fidelity Mutual Insurance Company, discovered the theft when he returned from a week-end at the seashore.

Thieves ransacked the home of E. C. Griswold, 1 Chestnut avenue, Narberth, on Monday between 11 A. M. and 3 P. M. On returning home Mr. Griswold found the glass panel beside the door knob shattered and that the culprits had reached inside and opened the door. As far as he knows the loss was trifling. Mr. Griswold and his daughter are spending some time at the shore and he was not sure of the amount of the theft.

Two apartments at Elliot and Lancaster avenues, Bryn Mawr, were robbed. From that of Theresa M. Webb \$5.83 in cash was taken, while two wrist watches were stolen from the home of John Darby in the same building.

Thieves broke into a gasoline service station at Wynwood and Lancaster avenues, Wynwood, early Sunday and took \$135 and a cigaret machine.

Entrance, was gained by jimmying a side window.

Manager of the station is George H. Francis. The same place was robbed about a year ago.

Early Saturday two young, armed bandits robbed Llewellyn West Jones, manufacturer, whose home is in Rosemont, of \$110 and "borrowed" his automobile. They tossed Jones a dollar of his money for carfare as they drove away from Belmont avenue and City line, Bala, where the robbery took place.

Jones, who was driving home, had stopped for a traffic light when the bandits jumped on his running board. The automobile was found later near the Fairmount Park Guard headquarters at 44th street and Parkside avenue, Philadelphia.

\$500 Damage to Officer's Home

The home of Nick DeBona, Lower Merion policeman, at 200 Jefferson street, West Manayunk, was damaged to the extent of \$500 by flames Sunday afternoon. Fire, which broke out on the third floor, was discovered by John Micalucci, a neighbor, who summoned the West Manayunk Fire Company and the Union Fire Association of Bala-Cynwyd. Firemen battled the blaze for two hours before getting it under control.

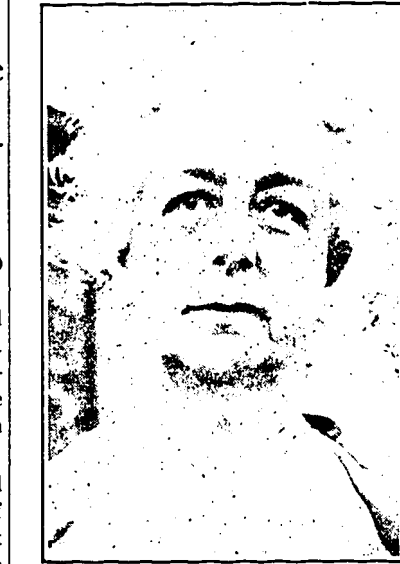

Lodgers Win Invitation Swim Meet At Camp Hawthorne By Point Fraction

(Editor's Note: This is the sixth in a series of letters from the boys at Ranger Lodge, Casco, Maine.)

By STEVE SCHOFF
Under the tutelage of Johnny Macionis, the Ranger Lodge swimming team compiled two very commendable wins last week. Wednesday they won the Hawthorne invitation meet in which six camps competed, and Thursday night they were first in their event at Bowdoin college.

The Hawthorne meet was a thriller, R. L. nosing out the hosts by a count of 71 7/10 to 71 2/10. Dan Karcher took first in the senior fifty, George Paine won two seconds. Berwyn MacFadden likewise snared two seconds and Cliff Roberts also gained a second. In the junior division Bobby Roberts, Gordy Clausen and Boyd Broadhead compiled the points and for the peanuts Harry Middleton won the dive, Paul Hicks won the twenty-five yard free style and tied for second in the dive while Bruce MacFadden garnered

On Constitution Committee

MRS. FRED E. DERBY of Narberth, State president of the King's Daughters, who has been named by Governor Earle as a member of the Advisory Committee on Pennsylvania's commemoration of the 150th anniversary of the United States Constitution.

8 Main Liners Appointed to Constitution Committees

Eight Main Line residents were among those who this week accepted invitations from Governor George H. Earle to serve on committees for a State-wide commemoration of the 150th anniversary of the Federal Constitution, probably to be held at Harrisburg.

Serving on an advisory committee will be Mrs. Joseph B. Hutchinson, president of the Pennsylvania Society of Colonial Dames of America, Bryn Mawr; Mrs. E. Waring Wilson, Rosemont; Mrs. H. Childs Hodgson, Cynwyd; Mrs. Fred E. Derby, Narberth; Dr. William W. Comfort, president of Haverford College and president of the Friends' Historical Association, Haverford.

Local residents on the State Executive Committee will be Edward Hopkinson, Jr., Merion; Mrs. George H. Earle, wife of the governor, Haverford; Matthew H. McCloskey, Jr., Overbrook.

Traffic Proposal Approved

Recommendations of an automobile club for synchronization of traffic lights on Montgomery avenue, bordering Narberth, have been approved by Lower Merion Township authorities and will be acted upon immediately, it was announced by club officials.

The proposal for single control of the lights, located between Essex avenue and Meeting House lane, was the result of a survey initiated by the club following numerous complaints from motorists irked by undue delays.

Only 3 New Contagion Cases

A case of chicken pox and two cases of whooping cough, all in health district No. 2 which includes Penn Valley, Bala-Cynwyd and West Manayunk, were reported as new contagious disease cases in Lower Merion last week by Health Officer Marvin E. Reynolds.

Only ten cases are now under quarantine in the township.

Narberth and Merion on "Preferred List" for New Postoffices

Wynnewood, Rosemont, Villanova "Possibilities" for Federal Buildings

\$75,000 EACH IS THE PLAN

New postoffices will dot the Main Line within the next ten years if the Postoffice Department's building program which is endorsed by the Treasury Department and recommended in part by the House Appropriations Committee is voted on favorably by Congress.

On the "preferred list" for immediate construction are new postoffice buildings in Narberth and Merion, which, with their sites, will cost \$75,000 each. "Immediate construction," it is said, may mean within the next three years.

Among "possibilities" in the ten-year program, as outlined, are \$75,000 postoffices to be erected in Wynnewood, Rosemont and Villanova.

In the last few years new Federal buildings have been built in Bala-Cynwyd, Haverford and Bryn Mawr, and a new postoffice is now under construction in Ardmore, the latter to cost \$110,000.

Placing of Narberth's postoffice building on the preferred list is believed to be due in part to the efforts of a group of borough Democrats who, some months ago, sent a delegation to Washington to state the local case. The delegation consisted of A. E. Wohlert, Chester P. Cook and John Gilroy.

If Wynnewood's new building is erected, it will mean a double victory for the citizens of that community. Largely through the efforts of the Wynnewood Civic Association, city carrier service for the section was approved recently.

Postoffices for a total of about thirty towns in the Philadelphia area are being considered by the House Appropriations Committee.

Mosteller Backing Only One Candidate

Republican Worker Also Pooh-Poohs Implication He Wants Narberth Leadership

Reports earlier this week that he was backing two candidates in the contest for the Republican nomination for Narberth magistrates and that the "contest . . ." is beginning to assume aspects of a fight against the leadership of Charles V. Noel, were vehemently denied by Harry J. Mosteller on Wednesday.

"With a number of other Narberth citizens I am supporting the candidacy of Horace T. Smedley for magistrate and I have no interest in the other three candidates," Mosteller stated.

"There is nothing in this talk about a fight for borough leadership," he added.

Mr. Noel, G. O. P. leader and Narberth committeeman, has observed a neutral policy so far as the contest is concerned.

The candidates for the two nominations on the Republican ticket are: Smedley, who is an official of the Narberth Fire Company.

Vincent F. Cunningham, prominent in both fire company and American Legion circles.

Roy I. Gowland, president of the Narberth Business Council.

Howard C. Fritsch, incumbent magistrate.

The other magistrate is Joseph T. Magarity, Democrat, who is the only candidate of his party for renomination.

H. C. Keim Tells Rotarians About Social Legislation

The intricacies of the Social Security laws were explained Tuesday to the Bala-Cynwyd-Narberth Rotary Club by Hervey C. Keim, C. P. A. member of the club.

Outlining the highlights of the old age and unemployment features of the law, Mr. Keim also explained the less known features of old age assistance, mothers' aid, etc.

"Social Security is here to stay," he said, "and the business men of the country had better get used to it."

Support for the Judges

With the exception of a four-way fight for the Republican nomination for prothonotary, one may almost pick the winners, both in the county and locally, of next November's election before September's primaries are run off.

Decision of the Democratic organization to indorse the sitting judges and the withdrawal of his candidacy by Carroll G. Rutter, Pottstown attorney, leave Judge Harold G. Knight opposed only by J. Stroud Weber, Norristown attorney and Republican, for the nomination. Mr. Weber may be expected to wage a dignified but futile campaign since the President Judge of the Common Pleas Court already has the indorsement of all the Republican organizations.

Judge J. Burnett Holland of the Orphans' Court now has the indorsement of both Republicans and Democrats and is without opposition.

Only comment on the Democrats' decision to back the sitting judiciary was that of John J. Ferry, Norristown independent, who said that "They have turned the county over to the Pinchot-Grundy crowd," a statement that should provide some amusement to partisans on either side of the P-G hyphen.

The registration figures show a great preponderance of Republicans in Montgomery and the factionalism evident in the one major contest is not so serious that it will be carried beyond September 14. A November victory for the G. O. P. in the county seems a certainty with the aid of the usual overwhelming Main Line majorities.

Lodgers Win Invitation Meet From Camp Hawthorne by Point Fraction

Continued from Page One
Rusty DeBurla behind the plate shown brightest in the field.

The rifle team beat out Agawam the same afternoon by a tally of 444-436. Fred Smith shot a 43 and a 49; Jim Deakins 42, 47; Johnny Bartle 46, 46; Bill Deal 43, 47; and Bobby Mahon 39, 43.

Featured by two home runs the councillors' batting power was too much for the boys in the weekly game and they won 14-5. Pop Fowler himself held the boys in check from the pitching slab and Ace Quinn and Ben Ruggiero, visiting the former, wall-popped four base blows. Coach Ricketts again came through with a perfect day at bat and Jim Fitzpatrick also aided the cause. Joe Clausen and the ever reliable George Paine batted in the boys' runs. The men made it two in a row by also taking the basketball game 38-25. Unc Perry, Downs Longaker and Bill Whiting looped in the men's baskets and Ted Collins and Wince Connor scored for the losers.

The peanuts have been busy during the past week or so building docks for their own private use. Bobby Fowler and Bobby Cairns operate one landing while Jack Stelwagon, his brother Fred, Bill Young and Dick Deal run rival wharves. They have built rafts to land at their piers; the best looking ones belong to Parke Schoch, Dick Ryan and Pete Olsen.

A new winner turned up in cabin inspection when cabin nine grabbed the bunting. Bobby Mahon, Jack Schofield, Gordy Clausen, Boyd Brodhead, Carroll Pennock, Buzz Torrey and counselor Cliff Harkness kept their nest immaculate and will get a speed boat ride as a result. Bobby Paine, Carroll Laird and Bill Jones kept cabin eight in the running until the final day.

Sunday afternoon a treasure hunt with the clues written in code was staged for a watermelon as a prize. Cliff Roberts, Burt Davis, Rolly Young and Bill Grugan won the event. Those who were able to find all the clues and finish behind the winners included Howard Irwin, Bill Ryan, Bill Smith, Ross Collins and Bub Karcher.

Ardmore Theatre Closed for Extensive Renovations

Work on modernizing the Ardmore Theatre is underway this week and next while the playhouse on Lancaster avenue is closed.

According to John Roach, manager, new sound equipment will be installed with a new and larger screen.

Modern seats also have been ordered and new draperies and carpet will be installed.

This Warner Brothers theatre was air-conditioned in the Spring and, with the new improvements, will be one of the most delightful playhouses in the suburban area.

Marx Brothers at Narberth Next Monday and Tuesday

"Kid Galahad," current at the Narberth, is the story of the rise of a young prize fighter whose way to the top is nearly halted by the double-crossing by his manager. Wayne Morris has the title role, Edward G. Robinson is the manager and Bette Davis is his girl friend.

On Saturday only, Pat O'Brien and Henry Fonda will be seen in "Slim," a lively outdoor drama dealing with those daring young men who string high tension wires across the country.

Monday and Tuesday the Marx Brothers are turned loose again in "A Day at the Races." This time they help save Maureen O'Sullivan's sanatorium from foreclosure, in between sessions at the race track. Groucho is a horse doctor, Chico a jockey and Harpo a race track tout. Monday night at nine everyone plays "Bonus" for several valuable awards.

"Love From a Stranger," Wednesday (Cash Award Night), stars Ann Harding as an English stenographer who, shortly after she wins a sweepstakes, marries an engaging stranger (Basil Rathbone), and later finds out to her horror that he is a murderer, intending her for his next victim.

Next Thursday, Friday and Saturday the feature will be "Elephant Boy," the famous production filmed in India and based on Kipling's "Too-mai of the Elephants."

Pottstown will come to the borough field tomorrow while on Sunday Narberth will play at Downingtown.

Next week's independent games at 6.15 P. M. will see Angora A. C. playing Narberth Tuesday; Narberth at Stonehurst Hills Wednesday; with Gimbel Brothers' Industrial League team at the borough field Thursday. Chief Bender, old-time Athletics star, will be on the mound for the Gimbel team.

DAMAGING
YOUR HOME

FREE INSPECTION

One of the most dangerous things about termite damage to your home is that it is usually hidden from your sight. (The damage is done before you know it. Play Safe! Write or phone us today for FREE Terminix Inspection.)

Termites are secretly damaging an alarming percentage of homes and buildings throughout this section. These tiny wood-eating insects enter a structure from the ground and attack the inside of timbers and woodwork—hiding their activities from sight. Their presence is not readily detected until costly damage has been done.

Only a trained inspector can tell you for certain whether or not your property is being attacked by these insidious insects. Skilled Terminix inspection of your property is absolutely FREE!

HOW TO STOP TERMITES

Termites cannot be controlled by ordinary methods of household extermination. Only the most reliable protection available should be employed. Terminix is the world's largest termite control service. The chemical Terminix, applied with special equipment by exclusive methods, insulates your structure against termites by shutting them out completely. Thousands of structures saved throughout the United States. Insured and guaranteed for five years.

After years of hearing—"this is awful; why can't you learn to cook like my mother?"—Mrs. Willie Windblown becomes the object of praise. It all dates back to the installation of a new electric range in the Windblown kitchen. Since then, Willie has been a rousing electric cooking "fan." And he's even more enthusiastic about the low cost.

It's all very simple. Adding electric servants and using them generously lowers the average cost of each. Their new electric range earns for the Windblowns the low 2c per kilowatt-hour rate. Use more electric servants in your home and get added comforts for less money.
